

## Allegato al D.R. n. 1163 del 28 luglio 2017

### Università degli Studi di Perugia The Rector

**D.R. no.  
1163**

**Partial  
amendment of  
Appendix 1 to the  
Call for  
Applications for  
admission to the  
PhD programs –  
XXXIII cycle, A.Y.  
2017/2018 (D.R.  
1143 of  
24.7.2017)**

**Considering** D.R. no. 1143 of 24.7.2017, published on 25.7.2017, announcing, in conformity with the request made by the coordinators of the programs, the public competition for the admission to the PhD programs XXXIII cycle – A.Y. 2017/2018, with established legal administrative address at the Università degli Studi di Perugia.

**Considering** Appendix 1 to the aforementioned D.R. 1143/2017 and, more specifically, with regard to the section on the PhD program in CLINICAL AND MOLECULAR MEDICINE, stating that, with reference to the reserved positions for graduates in foreign universities, the modalities in which their tests were to be carried out were to be the same of those implemented for ordinary positions;

**Considering** Protocol Note no. 54694 issued on 27/07/2017, sent by the Coordinator of the aforementioned PhD program and requiring that the tests pertaining to the reserved positions for graduates in foreign universities are to be carried out in a different way than those pertaining to ordinary positions;

**Therefore deeming** that a partial amendment of Appendix 1 to the aforementioned D.R. no. 1143/2017 is required, by substituting the original "Clinical and Molecular Medicine" section with the one attached to this Decree, that is to be considered for all intents and purposes as an integral part of Appendix 1 to the Call for Applications.

**Degrees required for admission**

**Any Master's degree ('Laurea Specialistica')** in accordance with the ministerial decree D.M. 509/1999;  
**Any Master's degree ('Laurea Magistrale')** in accordance with the ministerial decree D.M. 270/2004;  
**Any University diploma ('Laurea Vecchio ordinamento')** according to the regulations in place before the ministerial decree D.M. 509/1999 came into force.

**Selection procedure**

The selection procedure will be carried out as follows:

**Evaluation of qualifications, written test and interview (out of a total of ninety: 30 + 30+ 30)**

**Evaluation of qualifications** will be performed with regard to the candidate's university education, further education, training and research experience as well as to any scientific publication (candidates are advised to attach and/or declare all of their qualifications, along with all the elements that can help in their evaluation, thereby including grades obtained within each course).

All qualifications must be presented according to the conditions described in article 3 of the Call for Applications ("Bando") and in Appendix 2 to avoid exclusion.

**The written test** will consist in the writing of an essay selected by the candidate among the titles proposed by the Committee on subjects pertaining to the PhD curricula. The candidate may choose to write the paper either in Italian or in English.

The minimum mark in order to pass the written test is **21/30**.

**The interview** will focus on the subjects included in the PhD curricula and will also aim at verifying the candidate's aptitude towards research, his/her availability to spend periods abroad to gain experience as well as his/her scientific interests. Candidates are required to draft up a research project that is to be developed during the three-year course on themes pertaining to the PhD course curricula and that must

be submitted together with the application. Candidates must be prepared to illustrate the aforementioned research project during the interview. The candidate may choose to be interviewed in Italian or in English. For interviews held in Italian, the candidate's knowledge of the English language will also be verified. The minimum mark in order to pass the interview is **21/30**.

**With regard to the position reserved for graduates in foreign universities** the selection procedure will be carried out as follows: **evaluation of qualifications and no. 2 interviews, one of which replacing the written test (out of a total of ninety: 30 + 30 + 30);**

**The evaluation of qualifications** will regard the candidate's university education, as well as any further educational, training and research experience the candidate has gained and any scientific publications (candidates are advised to attach and/or declare all of the qualifications they have, with all elements that can help in evaluating them, including grades obtained within each course). All qualifications must be presented according to the conditions described in article 3 of the Call for Applications ("Bando") and in Appendix 2 to avoid exclusion.

**The first interview** can be carried out via **videoconference** and will focus on the research project that the candidate intends to develop during the three-year period, pertinent to the subjects of the PhD; the candidate may choose to be interviewed in Italian or English. The minimum mark in order to pass the interview is **21/30**.

**The second interview** can be carried out via **videoconference** and will regard subject matter pertaining to the PhD program; the candidate may choose to be interviewed in Italian or English. For interviews held in Italian there will also be verification of the candidate's knowledge of the English language. The minimum mark in order to pass the interview is **21/30**.

**Eligibility is obtained with a total mark equal to or above 57/90.**

**Exam dates:** The tests will take place as follows:

Written exam:

September 19, 2017 starting at 10:30 am, at the aula (classroom) n. 5 Edificio (Building) B, Piano (Floor) -2 Scuola Interdipartimentale di Medicina e Chirurgia, Piazzale L. Severi 1/8, S. Andrea delle Fratte - Perugia.

Interview:

September 20, 2017 starting at 10:30 am, at the aula (classroom) n. 5 Edificio (Building) B, Piano (Floor) -2 Scuola Interdipartimentale di Medicina e Chirurgia, Piazzale L. Severi 1/8, S. Andrea delle Fratte - Perugia.

**First and second interview for the position reserved for graduates in foreign universities:**

September 20, 2017 via videoconference; the candidate must previously contact the Coordinator of the course to arrange a time at which the interview may take place, on the same date/s indicated for the interview. The candidate must make sure he/she is available at the address that he/she has indicated on the application form at the arranged time and for the next two hours. If the candidate is not available for three times/attempts by the examining commission, he/she will be considered an absentee and without possibility of appeal, a no-show at the interview. At the beginning of the interview the candidate will be requested to show his/her identity document. The University of Perugia takes no responsibility in case of impossibility for the interview to take place for technical problems that may arise (regardless of the cause).
