with this declaration, whether he / she is the winner of the scholarship:

- a) formally undertake to carry out the foreseen research periods at the company and abroad as per Annex 1 of the notice for the assignment of additional doctoral scholarships (REACT EU - National Operational Program for Research and Innovation 2014-2020), at the same time, certifying that he/she is aware that failure to comply with the minimum term of the company period will involve the revocation of the PhD scholarship
- b) declare to be aware that the modification of the project objectives and the expected results (if not previously authorized by the MUR) involves the revocation of the approved intervention and the full refund of the amounts already received.
- c) declare to be aware that any negative judgment of the Academic Board and the consequent non-admission to the following year of the PhD program will involve the revocation of the sums already paid for the current year, and that failure to obtain the degree will involve the revocation of the sums already paid for the last year of the course;
- d) undertake, for the entire duration of the additional scholarship, not to take advantage of other scholarships awarded for any reason, except for those admissible under the national legislation in force.

Aware that this declaration is requested under penalty of exclusion from the competition procedure in which it is produced, I draw it up using the model published at <https://www.unipg.it/didattica/dottorati-di-ricerca/bandi-avvisi-e-modulistica>, and attach it to my application according to the procedures described in attachment 2 to the notice for the assignment of additional doctoral scholarships (REACT EU - National Operational Program for Research and Innovation 2014-2020)
