

Verifica impostazioni posta con Outlook Web App (OWA)

The screenshot shows the Outlook Web App interface. The browser address bar displays "Posta - silvio.giuliani@unipg.onmicrosoft.com - Mozilla Firefox" and the URL "https://outlook.office.com/owa/?realm=unipg...". The main content area is titled "Opzioni posta" and contains instructions for modifying email account settings. A left sidebar lists various options, with "Posta" selected. A right sidebar shows the "Impostazioni" (Settings) panel, which is currently open to the "Posta" section. Three yellow callout boxes provide instructions: 1. Click the gear icon in the top right to access the settings page. 2. Click on "Posta" in the left sidebar. 3. Verify the configuration of the following options: Automatic replies, Incoming mail rules, Block or allow, Forward, and Electronic signature.

1. Cliccare sulla rotellina per accedere alla pagina delle opzioni

2. Cliccare su Posta

3. Verificare la configurazione delle voci:

- Risposte automatiche
- Regole posta in arrivo
- Blocca o consenti
- Inoltro
- Firma di posta elettronica
