This applies to both the sending and receiving institution. The Philipps-Universität Marburg recommends a minimum level of B1, as defined by the Common European Framework of Reference for Languages (CEFR), in the language of instruction. A level of B2 is advisable. In philology courses the language of instruction is often the language of the region studied. Language requirements for individual faculties or areas of study that differ from this general recommendation are specified in the Inter-institutional agreement. This applies to both the sending and receiving institution. The Philipps-Universität Marburg recommends a minimum level of B1, as defined by the Common European Framework of Reference for Languages (CEFR), in the language of instruction. A level of B2 is advisable. In philology courses the language of instruction is often the language of the region studied. Language requirements for individual faculties or areas of study that differ from this general recommendation are specified in the Inter-institutional agreement. The course catalogue provides more information on the language of instruction at http://www.uni-marburg.de/international/erasmus/vorlesung	July 15th	January 15th
